Our Mission

Our mission is to strengthen relationships and provide safe, supportive help and education that keeps families emotionally connected to one another.

We offer a safe and supportive resource, education and counseling center. We are committed to respecting each individual and family who request our services and to providing the most comprehensive education and counseling to promote healthy families.

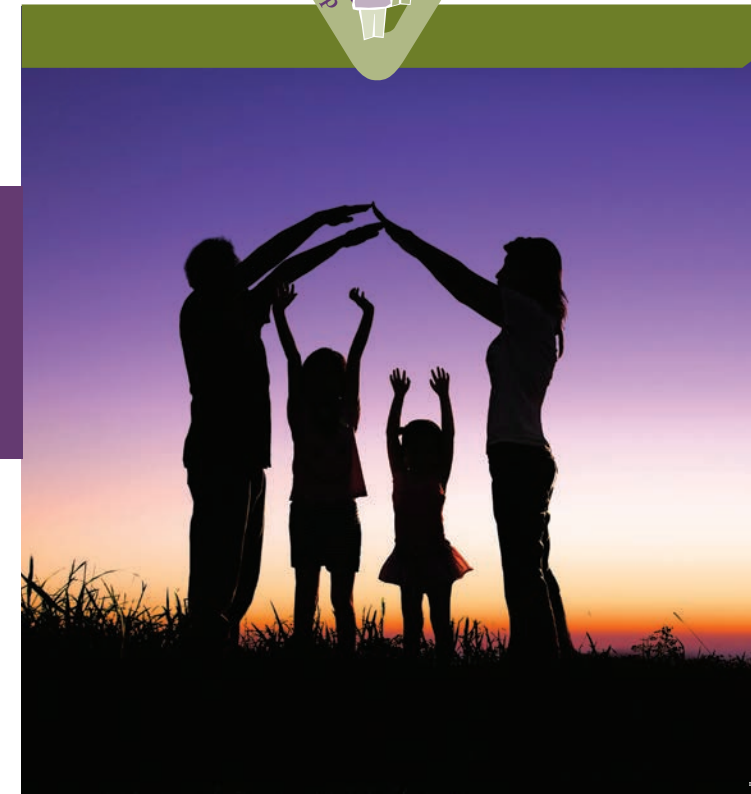

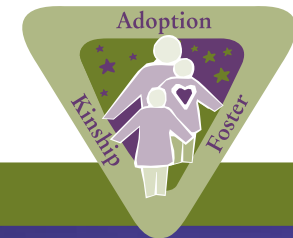

Therapeutic Visitation Center

Facilitated

By

Kids & Families Together

The Therapeutic Visitation Center is a collaboration between Kids & Families Together and Ventura County Human Services Agency's Children and Family Services.

In collaboration with
Ventura County Human Services Agency

Therapeutic Visitation Center

Utilizing The 5 Protective Factors that Strengthen Families and Protect Children

- 1 Parental Resilience
- 2 Social Connections
- 3 Concrete Supports in Time of Need
- 4 Knowledge of Parenting and Child Development
- 5 Social and Emotional Competence of Children

In addition services will facilitate trauma informed parenting and the development of secure attachments.
